Your Company has discontinued the manufacturing of 'Paper and Paper Board' situated at Ambivali factory w.e.f. November 13, 2024.

In Line with the requirement of Companies Act, 2013, the Board of Directors in their Meeting held on 13th August, 2025, have approved the adoption of new set of Memorandum of Association of the Company including insertion of new sub-clauses under "The Objects to be perused by the Company on its incorporation are:" and "Matters which are necessary for furtherance of the Objects" and the same was approved by the Members at the 12th Annual General Meeting (AGM) held on 19th September, 2025.

As the manufacturing operations have been discontinued, the plant and machineries at Ambivali factory has become obsolete and any technological upgradation would require huge amount of capital investment, which would in turn increase the borrowings. Your directors therefore have decided to sale the machineries. The Company had obtained the approval of Shareholders through Postal Ballot on 13th February, 2025. Memorandum of Understanding was signed with the buyer Symcom Exim Pvt Ltd for total sale price of Rs. 13,61,80,000/- plus GST as applicable. An advance of Rs. 2,72,36,000/- received on 12th March, 2026 towards the sale consideration.

3. DIVIDEND:

Your Directors have not recommended any dividend for the financial year under review.

The Dividend Distribution Policy is applicable to top 1000 listed entities based on market capitalization. As your Company is not fall under 1000 listed entities, therefore Dividend Distribution Policy is not applicable.

4. SHARE CAPITAL:

The Authorised Share Capital of the Company is Rs. 168,00,00,000 (Rupees One Hundred Sixty Eight Crore Only) divided into 5,80,00,000 (Five Crore Eighty Lakh) Equity Shares of Rs.10/- (Rupees Ten Only) each and 1,10,00,000 (One Crore Ten Lakh) Preference Shares of Rs. 100/- (Rupees One Hundred Only) each.

The issued, subscribed and paid up Share Capital of the Company as on March 31, 2026 are as under:

- Equity Share Capital: ₹ 32.22 Crore
- Preference Share Capital: ₹ 110 Crore

During the year under review, your directors have approved the Scheme of Reduction of Share Capital between the Company and its Shareholders, subject to approval of Members and NCLT.

The Company has not issued shares with differential voting rights nor granted stock options nor sweat equity. As on March 31, 2026, none of the Directors of the Company hold convertible instruments in the Company.

5. REVISION OF FINANCIAL STATEMENT:

There was no revision of the financial statements for the year under review.

6. MANAGEMENT DISCUSSION AND ANALYSIS:

Global Economy:

Global economic output is forecast to grow by 2.7 per cent in 2026, slightly below the 2.8 per cent estimated for 2025 and well below the pre-pandemic average of 3.2 per cent.

Economic growth in the United States is projected at 2.0 per cent in 2026, compared to 1.9 per cent in 2025, supported by monetary and fiscal easing. However, a softening labour market will likely weigh on momentum. In the European Union, economic growth is forecast at 1.3 per cent in 2026, down from 1.5 per cent in 2025, as higher U.S. tariffs and ongoing geopolitical uncertainty dampen exports.

In East Asia, growth is projected at 4.4 per cent in 2026, down from 4.9 per cent in 2025 as the boost from front-loaded exports fades. China's economy is expected to grow by 4.6 per cent, slightly lower than in 2025, supported by targeted policy measures. In South Asia, growth is forecast at 5.6 per cent in 2026, easing from 5.9 per cent, led by India's 6.6 per cent expansion, driven by resilient consumption and substantial public investment. Global trade proved resilient in 2025, expanding by a faster-than-expected 3.8 per cent despite elevated policy uncertainty and rising tariffs.

Investment growth has remained subdued in most regions, weighed down by geopolitical tensions and tight fiscal conditions. Monetary easing and targeted fiscal measures have supported investment in some economies, while rapid advances in artificial intelligence fuelled pockets of strong capital spending in a few large markets.

The First Advance Estimates place Financial Year 2025-26 (FY26) Real GDP growth at 7.4% and Gross Value Added (GVA) growth at 7.3%. India retains strong growth momentum and is expected to grow by 6.8% – 7.2% in FY 2026 - 27, reaffirming its status as the fastest-growing major economy for the fourth consecutive year. The world economy has held up well despite a succession of geopolitical and US policy shocks.

Indian Economic Review:

India's economic momentum remains strong, underpinned by resilient domestic demand and sustained macroeconomic stability. India is primarily a domestic demand-driven economy, with consumption and investments contributing to 70% of the economic activity. With India's economy showing resilient growth, supported by strong domestic demand, policy reforms, and a healthy investment pipeline, several

new projects and developments are underway across key sectors. According to World Bank, India must continue to prioritise lowering inequality while also putting growth-oriented policies into place to boost the economy. The government is focusing on renewable energy sources and has achieved a major clean energy milestone by generating 50% of its power from renewable sources, five years ahead of its 2030 target.

Over the years, the Indian government has introduced many initiatives to strengthen the nation's economy. The Indian government has been effective in developing policies and programmes that are not only beneficial for citizens to improve their financial stability but also for the overall growth of the economy. Over recent decades, India's rapid economic growth has led to a substantial increase in its demand for exports. Besides this, a number of the government's flagship programmes, including Make in India, Start-up India, Digital India, the Smart City Mission, and the Atal Mission for Rejuvenation and Urban Transformation, are aimed at creating immense opportunities in India.

Company's Overview:

The Company has discontinued its manufacturing activities of 'Paper and Paper Board' at Ambivali with effect from November 13, 2024. The Company is doing trading activities in plastic and packaging materials.

Your Directors have approved the commencement of new business of real estate development and allied activities, as authorised under sub-clause 3 of Clause III(A) (Main Object Clause) of the Memorandum of Association of the Company.

FINANCIAL STATEMENT

INDEPENDENT AUDITORS' REPORT

To the Members of

BALKRISHNA PAPER MILLS LIMITED

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of Balkrishna Paper Mills Limited (the Company), which comprise the Balance Sheet as at 31st March, 2026, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended and a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company's net worth stands at negative of Rs.17,544.16 Lakhs as at 31st March, 2026, further as mentioned in note no 42 which describes the discontinuance of the manufacturing activity of paper and paperboard situated at Ambivali. This situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as going concern.

We draw attention to note no.43 with respect to the preparation of the financial statements on going concern basis, based on the reasons and assumptions as stated in the aforesaid note. The company's ability to continue as a going concern is dependent on generation of the expected cash flows to be able to meet its obligations as and when they arise.

Our opinion is modified in respect of this matter.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Basis for Qualified Opinion* section. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter
Claims against the company not acknowledged as debts	Principal audit procedures
As at 31st March, 2026, the company has exposures to litigation relating to various matters as set out in note no. 36. Significant management judgement is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognised, or a disclosure should be made. The management judgement is supported with legal advice in certain cases as considered appropriate.	Our audit procedures included the following substantive procedures: - We understood, assessed and tested the design and operating effectiveness of key controls surrounding assessment of litigations relating to relevant laws and regulations. - Obtained details of all the claims against the Company for the year ended 31st March, 2026 from the management. - Read and analysed key correspondences, legal opinion and consultations by the management. - Discussed with the appropriate senior management and evaluated management's - Estimate of the possible outcome of the disputed cases. Based on the above procedures, management's assessment in respect of litigations and related disclosures relating to contingent liabilities/other significant litigations in the Financial Statements are considered to be reasonable.
At the ultimate outcomes of the matters are uncertain and the position taken by the management are based on application of their best judgement, related legal advice including those relating to interpretation of laws/ regulations, it is considered to be a key audit matter.	

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the report of the Board of Directors including Annexures thereto, Management Discussion and Analysis Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements

represent the underlying transactions and events in a manner that achieves fair presentation.

- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- A. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2026 on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the

understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination which included test checks, the Company has used accounting

softwares for maintaining its books of account for the financial year ended 31st March, 2026 which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure - A to the Independent Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31st March 2026, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) As explained to us, physical verification of these Property, Plant and Equipment is being conducted by the management at intervals during the year, which in our opinion is reasonable having regard to the size of the Company and the nature of assets. According to the information and explanations given to us no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any point of time during the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns and statements comprising (stock statements, book debt statements, and statements on ageing analysis of the debtors) filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company, of the respective quarters.
- (iii) During the year, the Company has made investments, not provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, in respect of which:
 - a) In our opinion, the investment made during the year are, prima facie, not prejudicial to the Company's interest.
 - b) During the year, the company has not provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year hence reporting under clause (iii) of the Order is not applicable to that extent.
 - (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to loans, investments and guarantees made.
 - (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit or amounts which are deemed to be deposits from the public within the meaning of Section 73 to 76 of the Act, and the rules framed thereunder.
 - (vi) We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the Rules made by the Central Government, the maintenance of cost records have been prescribed under Section 148 (1) of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determining whether they are accurate or complete.
 - (vii) (a) According to the records of the Company and the information and explanations given to us, the Company has generally been regularly depositing with the appropriate authorities undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income tax, Sales-Tax, Service tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues applicable to it. There

are no undisputed statutory dues as referred to above as at 31st March, 2026 outstanding for a period of more than six months from the date they become payable.

- (b) According to the information and explanations given to us, the dues in respect of Sales Tax, GST, Cess and Excise Duty that have not been deposited with the appropriate authorities on account of dispute and the forum where the disputes are pending are given below: -

Name of Statute	Nature of Dues	Amount (Rs. in Lakhs)	Period to which the Amount Relates	Forum where dispute is pending
Sales Tax Act	Sales Tax (Including Interest and Penalty)	228.22	2002-2003	Jt. Commissioner of Sales Tax (Appeals) Assessing Authority

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- (ix) (a) Based on our audit procedures and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanation given to us, term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix) (e) of the Order is not applicable.
- (f) On an overall examination of the financial statements of the Company, the Company does

not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix) (f) of the Order is not applicable.

- (x) (a) During the year, the Company did not raise any money by way of initial public offer or further public offer (including debt instrument) and hence reporting under clause 3(x) (a) of the order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x) (b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
- (c) As represented by the management, there are no whistle blower complaints received by the company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Balkrishna Paper Mills Limited ("the Company") as of 31st March, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note No. 1
Material Accounting policies
A. General information

Balkrishna Paper Mills Limited ("the Company") is engaged in the business of manufacturing and trading of "Paper and Paper Boards" and Trading of plastic & packaging materials. Paper and Paper Boards are used mainly for packaging industry, catering to the needs of Pharmaceuticals, Cosmetics, Health Care products, readymade garments, Food Products, Match boxes and FMCG Segments.

The company is a public limited company incorporated and domiciled in India and has its registered office at A/7, Trade World, Kamala City, Senapati Bapat Marg, Lower Parel (West), Mumbai 400013, Maharashtra, India.

B. Basis of preparation
(i) Compliance with Ind AS

The financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the (IndAS')) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

1. Certain financial assets and liabilities that are measured at fair value;
2. Assets held for sale – measured at lower of carrying amount or fair value less cost to sell;
3. Defined benefit plans – plan assets measured at fair value;

(iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

C. Foreign currency translation
(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the

entity operates ("the functional currency"). The financial statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

D. Revenue recognition

The Company has adopted Ind AS 115, Revenue from Contract with Customers.

Revenue is measured at the transaction price of the consideration received or receivable. Revenue from sale of goods is recognized, when the significant risks and rewards in respect of ownership of products are transferred by the Company, the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and no significant uncertainty exist regarding the amount of consideration that will be derived from the sale of goods as well as regarding its ultimate collection. Amounts disclosed as revenue are net of variable consideration on account of various Discounts, Rebates, Incentives offered by the Company as a part of the contract.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Sale of goods

Revenue from sale of goods is recognized when control of the products being sold is transferred to our customers and when there are no longer any unfulfilled obligations.

The performance obligations in our contract are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Sales Return

The Company recognizes provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

Other operating revenue – Export incentives

Export Incentives under various schemes are accounted in the year of export.

Dividend :

Revenue is recognized when the Company's right to receive payment is established, which is generally when shareholders approve the dividend.

E. Government grants and subsidies:

- i. Grants from the Government are recognized at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.
- ii. When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.
- iii. Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit and Loss on a straight-line basis over the expected lives of related assets and presented within other income.

F. Property, Plant and Equipment (PPE)

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Capital Work in Progress is stated at Cost net of accumulated impairment loss.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Gain or losses arising from disposal of property plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of Profit and Loss where the asset is disposed.

Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on PPE (other than leasehold land) has been provided based on useful life of the assets in accordance with Schedule II to the Companies Act, 2013, on Straight Line Method except in respect of Plant and Equipment where the useful life is considered differently based on an independent technical evaluation as 9 to 30 years.

Leasehold land are amortised over the lease period.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Intangible assets

Intangible assets comprise application software purchased, which are not an integral part of the related hardware, and are amortized on a straight line basis over a period of 3 years, which in Management's estimate represents the period during which the economic benefits will be derived from their use.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific to which it relates.

The Company has elected to continue with the carrying value of all its intangible assets as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101.

Impairment of non-financial assets

Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

G. Borrowing cost

Borrowing costs directly attributable to the acquisition, construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

H. Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange from consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether :

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the assets.

Company as a lessee

As a lessee, the Company recognizes a right-of-use-assets and a lease liability at the lease commencement date. The right-of-use-assets is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus and initial direct costs incurred and a estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less and lease incentives received. The right-of-use-assets is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of the right-of-use-assets or the end of the lease term. The estimated useful lives of right-of-use-assets are determined on the same basis as those of property and equipment. In addition, the right-of-use-asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurement of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payment included in the measurement of the lease liability comprise the fixed payment, including in-substance fixed payment. Lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying IND-AS 116:- short -term leases, leases of low-value assets and single discount rate.

The Company has elected not to recognize right-of-use-assets and lease liability for short term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognizes the lease payment associated with these leases as an expense on a straight line basis over the lease term. The Company applied a single discount rate to a portfolio of leases of similar end date.

The company's leases mainly comprise land and building for Shops, warehouse facilities.

As a Lessor

Leases for which the Company is a lessor classified as finance or operating lease.

Lease Income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipt are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

I. Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

J. Income Tax

Provision for current tax is made and retained in the accounts on the basis of estimated tax liability as per the applicable provisions of the Income Tax Act, 1961. Deferred tax is recognised for timing differences between the carrying amount of assets and liabilities based on tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets, subject to the consideration of prudence, are recognised only if there is reasonable certainty that sufficient future taxable income will be available, against which they can be realised. At Balance Sheet date, the carrying amount of deferred tax assets is reviewed to reassure its realisation.

K. Inventories

Inventories are valued at lower of the cost and net realizable value. Cost of inventories is computed on first in first out (FIFO) basis. Cost comprises of all costs of purchases, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

L. Financial instruments

Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

i. Financial assets

Classification

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e., the date that the Company commits to purchase or sell the asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

De-recognition

- A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:
 - The rights to receive cash flows from the asset have expired, or
 - The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement,

it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

- Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance
- b) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL's at each reporting date, right from its initial recognition.

ii. Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Financial liabilities at fair value through Profit and Loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost. Gains and losses are recognised in profit and loss when the liabilities are derecognized.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Derivative financial instruments

The Company uses derivative financial instruments, such as foreign exchange forward

contracts to manage its exposure to foreign exchange risks. For contracts where hedge accounting is not followed, such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit and loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

M. Employee benefits

i. Short term employee benefits

Short term employee benefits consisting of wages, salaries, social security contributions, ex-gratia and accrued leave, are benefits payable and recognised in 12 months. Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the year as the related service are rendered by the employee.

ii. Defined contribution plans

Company's contribution for the year paid/payable to defined contribution retirement benefit schemes are charged to Statement of Profit and Loss.

The Company's contribution towards provident fund, superannuation fund and employee state insurance scheme for certain eligible employees are considered to be defined contribution plan for which the Company made contribution on monthly basis.

iii. Defined benefit plans

Company's liabilities towards defined benefit plans and other long term benefits viz. gratuity and compensated absences expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the balance sheet date. Actuarial gains and losses are recognised in the Statement of other comprehensive income in the period of occurrence of such gains and losses. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets, if any.

N. Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised if as a result of a past event, the Company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance

sheet date. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

O. Earnings per share (EPS)

Basic EPS is computed using the weighted average number of equity shares outstanding during the period. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the results would be anti-dilutive.

P. Key estimates and assumptions

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differ from these estimates.

Estimates and assumptions are required in particular for:

- Determination of the estimated useful lives of tangible assets and intangible assets and the assessment as to which components of the cost may be capitalized.

Useful lives of tangible assets and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on management estimate, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalized and which components of the cost of the asset may be capitalised.

- Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future

benefits and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

- Provisions and contingent liabilities

The Company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.

- Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

They regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Q. Exceptional

Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the period, the nature and amount of such items is disclosed separately under the head exceptional item.

R. Non – Current Assets Held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and its sale is highly probable. The sale is considered highly probable only when the asset or disposal groups is available for immediate sale in its present condition, it is unlikely that the sale will be withdrawn and the sale is expected to be completed within one year from the date of classification. Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. These are not depreciated or amortised once classified as held for sale. Assets and liabilities classified as held for sale are presented separately in the Balance Sheet.

Non-current assets that ceases to be classified as held for sale are measured at lower of (i) its carrying amount before the asset was classified as held for sale, adjusted for depreciation that would have been recognised had that asset not been classified as held for sale, and (ii) its recoverable amount at the date when the disposal group ceases to be classified as held for sale.

S. Discontinued operations and non-current assets held for sale

Discontinued operation is a component of the Company that has been disposed of or classified as held for sale and represents a major line of business. Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification. Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell

Recent Accounting Pronouncements :

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 – The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. 1st April , 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

Ind AS 1, Presentation of Financial Statements, applicable w.e.f. 1st April , 2025 – The amendment relates to classification of liabilities as current or noncurrent and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance.

The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. 1st April , 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The recent amendments introduce a temporary mandatory relief from deferred tax accounting in respect of top-up tax. Companies applying this relief are required to disclose that it has been adopted. The relief is effective immediately, applies retrospectively, and is intended to mitigate complexity in deferred tax recognition.

Additionally, new disclosure requirements have been introduced to compensate for the potential loss of information resulting from the relief. These disclosures will be applicable for annual reporting periods beginning on or after April 1, 2025.

The Company has assessed the amendments and confirmed that they do not have any significant impact on its financial statements.

The Company offsets tax assets and liabilities if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

There is deferred tax assets (Net) on account of unabsorbed depreciation and accumulated on prudence basis the Company has recognised the deferred tax assets to the extent of deferred tax liabilities as provided in earlier years.

Fair values for financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

Transfers between Levels

There have been no transfers between Levels during the reporting periods

The following tables show the valuation techniques used in measuring Level 2 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Level 2: Forward contracts	Market valuation techniques The Company has used mark to market of forward contracts using current forward rates for remaining tenure of the forward contract as provided by respective banks.	Not applicable	Not applicable

C. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

i. Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Board of Directors is responsible for developing and monitoring the Company risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, cash and cash equivalents etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade receivables

All of the sales are domestic sales. For major part of the sales, customer credit risk is managed by requiring domestic and export customers to pay advances before transfer of ownership, therefore substantially eliminating the Company's credit risk in this respect.

Impairment

Management believes that the unimpaired amounts that are past due by more than 6 months are still collectible in full, based on historical payment behaviour.

The Company has no other financial assets that are past due but not impaired.

Concentration of credit risk

At 31st March, 2026 the carrying amount of the Company's most significant customer is ₹ 16.30 lakhs (31st March, 2025 : ₹ 35.00 lakhs)

Derivatives

There is no derivatives are entered during the year.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has not having fund and non-fund based working capital facilities from any banks but the company having Intercorporate Loan from related party. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

As at 31st March, 2026, the Company had working capital of ₹ (2463.56) lakhs, including cash and cash equivalents of ₹ 19.39 lakhs. As at 31st March, 2025, the Company had working capital of (5200.36) lakhs, including cash and cash equivalents of ₹ 82.33 lakhs

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to its operating activities. The Company manages its foreign Currency risk by hedging transaction that are expected to occur within a maximum 12 month periods for hedge of forecasted sales

Exposure to currency risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows:

Interest rate sensitivity - fixed rate instruments

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

NOTE NO. 33
Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The Company monitors capital using a ratio of 'net debt' to 'equity'. For this purpose, net debt is defined as total debt, comprising loans and borrowings less cash and cash equivalents and current investments.

The Company's net debt to equity ratio was as follows.

(₹ in Lakhs)

NOTE NO.35

Employee Benefit obligations

(A) Defined Contribution Plan

The Company has various schemes for long-term benefits such as provident fund and superannuation. In case of funded schemes, the funds are recognised by the Income tax authorities and administered through trustees / appropriate authorities. The Company's defined contribution plans are superannuation and employees' pension scheme (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the Company has no further obligation beyond making the contributions. The liability of the Company on the exempt Provident Fund managed by the trustees is restricted to the interest shortfall if any.

(₹ in Lakhs)

Particulars	Year ended 31 st March 2026	Year ended 31 st March 2025

(B) Defined Benefit Plan

In accordance with the provisions of the Payment of Gratuity Act, 1972, the Company has a defined benefit plan which provides for gratuity payments. The plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amounts are based on the respective employee's last drawn salary and the years of employment with the Company.

Liabilities in respect of the gratuity plan are determined by an actuarial valuation, based upon which the Company makes annual contributions to the Group Gratuity cum Life Assurance Schemes administered by the LIC of India, a funded defined benefit plan for qualifying employees. Trustees administer the contributions made by the Company to the gratuity scheme.

The most recent actuarial valuation of the defined benefit obligation along with the fair valuation of the plan assets in relation to the gratuity scheme was carried out as at 31st March, 2026. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation and the plan assets as at balance sheet date:

(vi) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

(₹ in Lakhs)

Particulars	As at 31 st March, 2026		As at 31 st March, 2025	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement) - Gratuity	(0.58)	0.65	(0.48)	0.52
Employee turnover (1% movement) - Gratuity	0.09	(0.10)	0.10	(0.11)
Future salary growth (1% movement) - Gratuity	0.66	(0.60)	0.32	(0.37)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

NOTE NO.42
DISCONTINUED OPERATIONS (MANUFACTURING OF PAPER AND PAPERBOARD)

During the previous year, the Board of Directors decided to discontinue the manufacturing of Paper and Paperboard situated at Ambivali. Over the years the Company has been incurring heavy losses on account of high cost of production, lower productivity, lower volume of business and high fixed cost etc. The Company have tried its best to revive the operations by undertaking various measures in the manufacturing as well as time to time infused funds. However, the losses have continued to accrue. Therefore, to arrest further losses the Company has kept production activities at Ambivali factory in abeyance since January 2023. Further, the Company had appointed consultant for exploring various strategies for revamping the paper & paper board manufacturing activities and also explore alternative business opportunities available to the Company.

As per the Consultant's report the manufacturing of paper & paper board from Ambivali factory is not a viable business, on account of increased challenges due to evolving market conditions, rising competition, and changing consumer preferences toward digital alternatives. Further, plant and machineries at Ambivali factory has become obsolete and any technological upgradation would require huge amount of capital investment, which would in turn increase the borrowings. In view of the above, paper manufacturing operation from Ambivali factory is not feasible. Hence, the Company has decided to discontinue the manufacturing of paper and paperboard situated at Ambivali.

In accordance with Indian Accounting Standard (Ind AS) 105 – Non-current Assets Held for Sale and Discontinued Operations, and Schedule III of the Companies Act, 2013, the financial statements of the Paper and Paperboard segment have been classified as Discontinued Operations. Consequently, the Company's Statement of Profit and Loss for the year ended pertains to its continuing operations only and for that purpose the comparative financial statements for the corresponding year ended have been restated accordingly.

The information related to discontinued operations of paper and paper board business is as under (₹ in Lakhs)

Sr. No.	PARTICULARS	Current Year	Previous Year (Restated)
1	Revenue from Operations	-	54.64
2	Other Income	42.96	1.64
3	Total Expenses	178.00	268.22
4	Profit/(Loss) before exceptional item and tax	(135.04)	(211.94)
5	Exceptional Item - Gain/(loss) -Net	172.00	1,695.08
6	Profit / (Loss) before tax	36.95	1,483.14
7	Tax expenses	-	-
8	Net Profit/ (Loss) after tax	36.95	1,483.14

NOTE NO.43

GOING CONCERN

The discontinuance of manufacturing of Paper & Paper Boards at Ambivali factory is not expected to impact the Company's going concern assumption.
